This week-long cruise aboard the AMADEUS Diamond, which begins and ends in Paris, combines what is probably the most romantic city in the world with a fascinating journey into the past of the Impressionist masters. Follow the footsteps of Van Gogh, Cezanne and Gauguin on this tour along the winding Seine River into Normandy (without doubt one of the most beautiful regions of France), up to Le Havre on the rugged Atlantic Coast. Normandy was the stage of one of the most pivotal military operations in history: D-Day during World War II. Visits to idyllic Normandy villages, the "museum town" of Rouen and the picturesque harbor town of Honfleur are only some of the wonders to be explored during this cruise.
