Effortless Travel – The AMADEUS Way

Dear Readers and Travel Enthusiasts,

Another year brings new ships to our fleet as we continue to strive to offer the best experience in cruising along European rivers. The “AMADEUS Imperial” entered service in 2020 and we are proud to announce the upcoming christening of the “AMADEUS Cara” in the spring of 2021.

Both vessels continue our over 40-year tradition of innovation and excellence with a focus on modern elegance and luxurious comfort. From our glass-protected River Terrace to the in-cabin panorama drop down windows in our Silver class vessels, the indoor pool on the “AMADEUS Queen”, the infinity pool on the “AMADEUS Provence”, as well as the newly refurbished and freshly beautified “AMADEUS Brilliant”, it is all about your onboard experience and ultimate comfort as we introduce you to our European heritage and hospitality.

As a traditional family-owned Austrian company, we care about the environment as we cruise in “our own backyard” and utilize the latest state-of-the art systems and on-board technology to maintain and sustain our rivers and environments around us.

Our unforgettable itineraries take you from Amsterdam and the Dutch and Belgian waterways all the way south to the Danube Delta and the Black Sea, past breathtaking sceneries of the riverbanks along the Rhine and Danube. We sail through Burgundy and Provence along the Rhône and Saône rivers in the south and from Paris to Normandy along the fabled Seine river in the north of France. We also offer stunning winter, golf and music cruises that will surely fill you with excitement as you sail the great European rivers.

We hope you enjoy exploring our portfolio of river cruises and we look forward to welcoming you onboard one of our vessels in the near future!

Immaculately preserved medieval buildings in Ghent

Tulip Serenade

AMSTERDAM – GHENT – AMSTERDAM

DAY 1 | NETHERLANDS: AMSTERDAM

This afternoon, embark and settle into your cabin. This evening, join us for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner. Drawing from a three centuries old repertoire of Dutch shanty's, a local choir performance on board makes a perfect beginning to your journey.

DAY 2 | AMSTERDAM

After a restful night on board, set off to see the sights of one of the most unique cities in Europe. Beautiful bridges connect numerous parts of the city, which is divided by hundreds of canals and waterways, and lined with 17th century architecture. Be sure to stop by the Oude Kerk (Old Church), the oldest building in the city, or perhaps stop by the Anne Frank House; the day is yours! Enjoy a delicious dinner on board, after which the vessel leaves Amsterdam.

DAY 3 | ARNHEM

Breakfast is served as the vessel arrives in the city of Arnhem. Located in the eastern part of the Netherlands, Arnhem is a bustling city with plenty to offer, including a rich heritage including the famous John Frost Bridge – a “bridge too far” during the Battle of Arnhem – the Airborne Museum of Hartenstein and an Open-air Museum which depicts daily life in Arnhem. You can also visit the Burgers’ Zoo, the most-visited zoo in the Netherlands. Back on board, enjoy dinner as we cruise to the capital of Zeeland.

DAY 4 | MIDDELBURG

After a morning spent cruising the waterways, we arrive in the picturesque town of Middelburg. In the Golden Age (17th c), the Dutch East India Company flourished, evidenced by the merchant houses and storefronts that line the canals. For a feat of modern technology, visit the impressive Delta Works. This expansive series of dams was built to protect the area against flooding and high tides. Several original windmills still stand on the outskirts of town, representing another innovative technology of a bygone era.

DAY 5 | BELGIUM: GHENT

Overnight, cross the border into Belgium and reach the city of Ghent, where your vessel will remain anchored for the day. Ghent is the country's third largest city and one of Belgium's best kept secrets. Home to the beautiful St. Bavo Cathedral and the famous Ghent Altarpiece, Ghent is also home to numerous other museums. There is something for everyone. Another beautiful city worth visiting is nearby Bruges, a UNESCO World Heritage Site. Visit the Basilica of the Holy Blood with its holy relic – a vial of blood – that is said to be that of Jesus. Or perhaps visit the Groeninge Museum with its collection of artwork that spans several centuries. This evening, join your fellow travelers for dinner.

DAY 6 | ANTWERP

Wake up in this beautiful Belgian port city, one of the largest ports in the world. Famous

for its diamond trade, Antwerp is also home to numerous cultural jewels. Among them, the Cathedral of Our Lady with paintings by the famous Baroque artist Peter Paul Rubens, including the Raising of the Cross and the Assumption of the Virgin Mary, is not to be missed. Spend the afternoon in Antwerp following individual pursuits or venture to the nearby capital city of Brussels, a major center for international politics. This evening, enjoy the Captain's Gala Dinner.

DAY 7 | NETHERLANDS: ROTTERDAM

On today's return to the Netherlands, we arrive at another major port city – Rotterdam. This vibrant city has a strong maritime history as well as bold, modern architecture. Nearby, the historic windmills of Kinderdijk are a good example of the rich history of the Netherlands and a contrast to the modern city. This afternoon, venture to the Keukenhof Flower Gardens. This beautiful park features more tulips in flower than anywhere else in the world. Over 7 million bulbs are planted here annually, with visitors from around the world coming to explore the nine-and-a-half-mile network of footpaths, including the largest sculpture park in the Netherlands. Later this evening, enjoy a scenic cruise through Rotterdam as the vessel sets off for its final port of call – Amsterdam.

DAY 8 | AMSTERDAM

After breakfast, we bid you farewell. We hope to welcome you back again soon!

This afternoon, embark and get settled in your cabin. This evening, enjoy a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | AMSTERDAM · HOORN
Begin your day with a relaxing cruise through a myriad of landscapes along the Rhine River. For more active pursuits, spend the morning exploring the canal city of Amsterdam and the surrounding countryside, rejoining the vessel in the town of Hoorn. This afternoon, cruise on the IJsselmeer, one of the largest inland freshwater lakes in Holland. This evening, join your fellow travelers for dinner.

DAY 3 | GERMANY: COLOGNE
After lunch, view our arrival in the beautiful city of Cologne. Every year, visitors from all over the world are drawn to the historic city and its 2000-year history. There are many medieval houses, bridges, and gates that will delight the historian in you, while the more modern skyscrapers that tower overhead are sure to impress. After an exciting day, we return to the vessel and make our way south.

DAY 4 | COCHEM
Today our AMADEUS vessel takes a special trip down the romantic Moselle River, the largest

tributary of the Rhine, and anchors at the old town of Cochem. The scenery in the Moselle Valley has been dominated by vineyards for millennia. Cochem itself has narrow streets, twisting alleys and medieval town gates, churches and walls. Discover the beauty of Cochem, visit the stunning Reichsburg castle and sample some of the Riesling wines produced in this region. This evening we set off toward Koblenz.

DAY 5 | KOBLENZ · RÜDESHEIM
This morning, arrive in Koblenz, ideally situated at the confluence of the Rhine and the Moselle Rivers. The Romans, the Franks, the Holy Roman Empire, the French, and the Germans have all had a hand in this strategic city's 2000-year history. St. Castor Basilica, the Church of Our Beloved Lady, and the Emperor Kaiser Wilhelm's memorial at the German Corner, are just a few of the sites which reflect the history of the area. This afternoon, spend time on deck as we cruise the most beautiful section of the river – the legendary Upper Middle Rhine Valley. A real treat is the unique Mechanical Music Cabinet Museum in Rüdesheim, where you can be both entertained and fascinated by viewing and listening to self-playing instruments. Back on board, your AMADEUS crew awaits with a delicious dinner.

DAY 6 | MANNHEIM · SPEYER
After breakfast, explore the bustling town of Mannheim. This unique city has many sights to see including the University of Mannheim,

the Mannheim National Theatre, and St. Sebastian's Church. It is also home to the Luisenpark, one of the most beautiful parks in all of Germany. The nearby Heidelberg is another old university city which is also worth a visit. This afternoon's call is at Speyer, a city known for its cathedral where eight Roman emperors and German kings are interred. The Old Town Gate, the Memorial Church, and the Transportation Museum are all highlights of this beautiful city. Tonight, enjoy the Captain's Gala Dinner after your exciting day.

DAY 7 | FRANCE: STRASBOURG
This morning we arrive in the dynamic capital of Alsace. This beautiful city's sights include the famous cathedral Straßburger Münster and the Petite France quarter, a former mill and tanner district that still maintains its medieval charm. DAY 9 | REGENSBURG
In the afternoon, visit one of Germany’s most well preserved medieval cities. This UNESCO World Heritage Site boasts architecture from many centuries, reflective of its varied history throughout the centuries. The stone bridge, built in 1135 – 1146, the Church of St. James, and the Thurn and Taxis Palace are a few of the highlights of this beautiful city. This evening has a special Bavarian theme celebrating the wonderful region cruised through thus far.

Amsterdam can be discovered on a boats trip or walk through the city

DAY 10 | PASSAU
Arrive in time for lunch in the three-rivers city of Passau, lying at the confluence of the Danube, the Inn and the Ilz. Explore the city with its St. Stephen’s Cathedral, home to one of the largest pipe organs in the world. The imposing fortress Veste Oberhaus is located high on the hill, overlooking the town and the three rivers. Back on board, enjoy dinner as the vessel sets off toward the romantic Wachau Valley.

DAY 11 | AUSTRIA: EMMERSDORF · DÜRNSTEIN · VIENNA
In the early morning, dock in Emmersdorf, in the heart of the UNESCO-protected, cultural heritage landscape of the Wachau Valley. Spend the morning discovering this typical small town in Lower Austria or visit Melk and its magnificent Benedictine abbey – the largest in Austria. Back on board for lunch, continue through the vineyards of the Wachau to the village of Dürnstein. Spend the afternoon in the romantic village with its iconic blue church and winding streets, and perhaps sample the local wines. After dinner, arrive in Vienna. Opt for the “Sound of Vienna” and listen to the “Alt Wien” orchestra play popular pieces from Vienna’s classical era at a local salon, as the vessel remains overnight.

DAY 12 | VIENNA
There is much to see and do in this imperial capital city. Drive the Ringstrasse with its impressive buildings, see the famous Vienna State Opera House, the Museum Quarter with historic and contemporary buildings housing works by Egon Schiele, Gustav Klimt and other artists, St. Stephen’s Cathedral and numerous other important sites. In the afternoon, continue your exploration or perhaps venture to Schönbrunn Palace, the sumptuous former summer palace and beautiful gardens of Empress Maria Theresia.

Passau: the baroque St. Stephen’s Cathedral

After a full day of exploration, enjoy a relaxing dinner on board.

Traverse the restored old town from Michael’s Gate and admire other impressive sights such as the Primatial Palace and St. Martin’s Cathedral, a former coronation cathedral for Hungarian kings. Bratislava is a little jewel on the Danube. Some of the most photographed attractions of Bratislava are its sculptures in human size located all over its Old Town. This evening, celebrate with the Captain’s Gala Dinner.

DAY 14 | HUNGARY: BUDAPEST

Étretat: the beautiful city at the coast of Northern France near the famous cliffs

Paris, Normandy and the River Seine

PARIS – LE HAVRE – PARIS

Paris: the Ponte Alexandre III at sunrise

DAY 1 | FRANCE: PARIS

This afternoon, embark and get settled in your cabin. This evening, enjoy a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | CONFLANS

Arrive in Conflans, at the confluence of the Oise and the Seine. Visit the little town of Auvers-sur-Oise, an inspiration to many of the famous Impressionist masters, including Cezanne, Pissarro and Daubigny. The most famous of these artists is Vincent van Gogh, whose final resting place is located here. Visit Auberge Ravoux, where Van Gogh lived in a very simple and small room only lit by sky light. Inspired by the picturesque site with its inhabitants and surroundings, Van Gogh painted close to 80 canvases here, which come alive in the winding streets of the village.

DAY 3 | ROUEN

This morning we reach Rouen, often called the “Ville musée” (Museum Town). If you enjoy museums, visit one of the many art, history, and antiquities museums scattered through the city. Visit the cathedral that inspired Claude Monet and the modern Church of Joan of Arc with its magnificent 16th-century stained-glass windows. See the “Gros Horloge,” the astronomical clock, and the Parliament of Normandy. Also in Rouen is the “Place du Vieux Marché”, the site where Joan of Arc was burnt at the stake.

The vessel leaves Rouen later this afternoon, so you can take the time to stop in a souvenir shop, should you want to take a little piece of the Norman capital and its emotions back home in your suitcase.

DAY 4 | LE HAVRE

Although the harbor of Le Havre was greatly destroyed in World War II, it was rebuilt and continues to be an important port city in Normandy. Explore the Normandy coastline with a walk along Étretat’s cliff-top paths for a view of steep chalk rocks with impressive needle-like formations, which have inspired many well-known artists. Nearby, is the city of Honfleur, where the Seine meets the Atlantic. This harbor town is regarded as a jewel on the Côte Fleurie and is a wonderful way to spend an afternoon.

DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, join us on a fascinating Norman journey, a land of farmlands, beaches, towns. It is a land with a rich culinary tradition, based on its fine local produce like world-famous cheeses and apples from which cider and the brandy Calvados are made. Normandy also boasts many historic landmarks, such as the Normandy landing beaches and the city of Arromanches, the closest harbour linked with the liberation of Western Europe after D-Day. At the end of this excursion, rejoin the ship in Caudebec-en-Caux.

DAY 6 | LES ANDELYS · VERNON

Today, your vessel anchors in the little town of Les Andelys in the shadow of Château Gaillard, the one time home to Richard the Lionheart. Relax in town or venture farther afield to nearby Giverny, home to Impressionist Claude Monet, until his death in 1926. The beautiful surroundings and vivid flora, were inspiration for some of his most famous works. Return to the ship in Vernon for lunch. This afternoon, join an excursion to Château de Malmaison, the former residence of Joséphine and Napoleon Bonaparte, to immerse yourself in the privacy of the imperial couple. Rejoin the ship in La-Mantes-Jolie. In the evening, the Captain’s Gala Dinner is a wonderful finish to a fantastic day.

DAY 7 | PARIS

In the early morning, it is once more “Bienvenue” to the French capital. Explore the sights of the Cathedral of Notre Dame, the Eiffel Tower, and the bustling Champs-Élysées. Another interesting area to explore is quirky artists’ district of Montmartre and the Sacré-Coeur, located on the highest hill in northern Paris – the most beautiful city in the world.

DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you “adieu” and we hope to see you again soon!

General Terms and Conditions of Travel 2021

PREAMBLE: These travel conditions are issued in the name of the cruise operator, Dr. W. Lüftner Reisen GmbH / A-6020 Innsbruck, for the travel programs included in this brochure. Dr. W. Lüftner Reisen GmbH also does business under the trade name Lüftner Cruises. In the following, these are referred to as “the operator.” These terms and conditions of travel apply to programs listed under either name. The transportation of passengers and baggage on any of the vessels offered is governed solely by the Terms and Conditions of the Passenger Ticket Contract (available on request).

PAYMENT POLICY: A deposit of 10% per person is required to secure a confirmed reservation. When more than one cruise is booked, deposit and payment policies apply per cruise. The balance is due for payment no later than 20 days prior to departure, despite no further request for payment being made. All reservations are subject to cancellation if payments are not received by the due date, and in such a case the operator is entitled to cancel the reservation/s in accordance with the cancellation fees specified in these terms and conditions. Upon full payment by the participant(s) of the amount specified in the invoice, the operator agrees to arrange for the provision of the services as described in this brochure. Your payment or acceptance of a ticket constitutes your agreement to the terms and conditions of travel.

CANCELLATION POLICY: In cases of cancellation the operator has the right to demand the following cancellation fees, calculated as a percentage of the travel price and dependent on the number of days left until the planned departure date:

DAYS BEFORE DEPARTURE:

121 days and more	10%
120 – 90 days	15%
89 – 60 days	35%
59 – 30 days	50%
29 – 15 days	80%
14 – 1 day(s)	85%
on departure day	90%

Cancellations must be made in writing. Cancellation invoices are due for payment as soon as they are received.

WITHDRAWAL AND TERMINATION BY THE OPERATOR:

The operator may withdraw from the travel contract before the cruise starts or terminate it after the cruise has begun in the following cases, without the operator being liable for any claims, particularly not for damages:

- a) without notice, if the person traveling – in defiance of any warning – persistently disrupts the execution of the travel or if their behavior is not in accordance with the contract to such an extent that immediate revocation of the contract is justified. When terminating, the operator reserves its claim on the travel price, but this will be set off against the value of the expenditure saved and whatever advantages it obtains from any alternative use of the services or facilities that are not taken up, including whatever amounts are credited to it by its service providers.
- b) if, by two (2) weeks prior to the start of the cruise, the advertised minimum number of participants has not been reached, which is 80 passengers per cruise or whatever other minimum number of participants has been indicated in the advertising for the service concerned. In all such cases the operator is obliged to inform the traveler immediately of the occurrence of the contingency causing the cruise not to be executed and immediately to forward to the traveler its withdrawal statement. This is also relevant should it become apparent at an earlier stage that the minimum number of passengers will not be reached.
- c) if, by four (4) weeks prior to the start of the cruise – with the operator having exhausted all other possibilities – it would be unreasonable for the operator to execute the cruise because the costs incurred in the execution of the cruise would exceed the economic limit in relation

to this cruise; that is, unless the operator itself is answerable for the main reasons leading to the situation concerned.

GUARANTEE, REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted then the traveler may demand redress. Irrespective of the operator’s overriding duty to provide service, the traveler has a duty to co-operate in that they must do whatever they can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or to avoid them completely. The traveler has a particular duty to advise the operator’s representative on board (specifically the hotel manager, cruise director) immediately of any possible complaints. However, these persons are not authorized to deal with any claims.

SERVICE AND PRICE CHANGES:

- a) Changes and deviations of individual travel services from the agreed tour contract (for example, timetable changes, changes to scheduled sequences, or to hotel reservations) that become necessary after conclusion of the contract, and where there is no evidence of bad faith on the part of the operator, are permissible, provided they are not significant changes and do not alter the overall tour program. Travelers will be notified of any such tour changes or deviations immediately.
- b) The operator reserves the right to alter the prices mentioned in the case of transportation price increases (particularly due to rises in fuel costs), docking fees, or due to fluctuating exchange rates, or to any other rises in prices/costs that were not known at the time of the completion of the booking contract.

ACTS OF GOD, STRIKES, OR OTHER CONDITIONS

BEYOND CONTROL:

- a) **Before the cruise starts:** If execution of the cruise is made more difficult, jeopardized or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and out of the control of the operator, then both the operator and the traveler may withdraw from the contract prior to the start of the cruise. Such circumstances include war, strikes, civil unrest, epidemics, and government directives (such as requisition of accommodation or of means of transportation), embargoes, natural disasters, accidents, and damage to the vessel (especially to the hull and engines, etc.) or other occurrences that are equivalent to the examples mentioned above in their effect (force majeure). The operator is not liable for any claims, particularly not claims for damages. The travel price paid will be reimbursed.
- b) **After the cruise has begun:** If the circumstances specified above come about after the cruise has begun and the cruise is ultimately delayed, then the operator is authorized to reconstruct the remaining journey such that other routes or means of transport are organized, for example, by avoiding a harbor, or by traveling overland, so that the journey can be ended at approximately the original time specified. In such a case, the tour price will not be reduced and the operator will not be liable for claims, particularly not claims for damages.
- c) **Termination of a cruise:** Should a cruise have to be terminated due to any of the abovementioned circumstances, the operator is authorized to transport travelers and their baggage by alternate means of transport (such as by train, bus or plane) to the agreed starting or end point of the cruise, or to an appropriate intermediate point with suitable means of transport. The operator is not responsible for any claims, particularly not claims for damages.
- d) **Ship in distress:** Should another vessel be in need of the cruise ship’s assistance during a cruise, then the operator is not liable for any delays caused by the assistance rendered or by any rescue operation. The decisions regarding such possible assistance rest solely with the ship’s captain. The operator will not be liable for claims, particularly not claims for damages.
- e) **Changes in the water level:** Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation onto another vessel or transfer(s) by coach or rail, or may even lead to a shortening of the journey. The operator and the ship’s captain

sometimes have to take such decisions quickly. Such measures do not justify withdrawal from the contract by the person traveling and the operator is not responsible for any claims, particularly not claims for damages.

UNUSED SERVICES: Should the traveler, for personal reasons, not make use of services which are included in the travel price, the traveler is not entitled to a proportional refund of the travel price. The operator will, however, make an effort to obtain reimbursement for the expenses saved from the relevant service providers. This does not apply if the services in question are insignificant.

PASSPORTS, VISAS, CUSTOMS, CURRENCIES AND HEALTH

REGULATIONS: The traveler is solely responsible for compliance with all matters regarding travel-related regulations and prerequisites. Any interruptions resulting from noncompliance with such regulations will be at the expense of the traveler, unless caused by intentional misinformation by the operator.

INSURANCE BOND: Dr. W. Lüftner Reisen GmbH is listed in the tour operator register of the Austrian Ministry for Economics, Family and Youth under number 2004/0052. In accordance with the Austrian Travel Agency Decree for Tour Operators (RSV), customer money is secured by a bank guarantee. Further information regarding this protection such as the terms and assertion of rights, the time limit for lodging complaints, claim exclusions, etc., can be obtained from the travel agency handling the traveler’s reservations.

TRAVEL INSURANCE: For personal security and peace of mind, travelers are advised to take out a travel insurance policy in good time, covering, in particular, possible costs of cancellation, as well as damage to and/or loss of baggage, possible medical treatment, repatriation costs, etc.

NAME CHANGES: Should there be a change of name for a traveler for a reservation already made, the operator has the right to charge € 30 – for such a change.

CHILDREN/MINORS: Due to the specific nature of the cruise itineraries, there are special conditions for the booking of children and minors:

- For children under the age of 8, special permission by the operator is required.
- Up to the age of 16, minors must be accompanied by and share a cabin with a parent, legal guardian, or other responsible adult over the age of 21.
- Information about child discounts, particularly for the special conditions of the cabins with connecting doors, can be found in our travel descriptions.

PASSENGERS WITH SPECIAL NEEDS: All means of transport used for our cruise programs comply with European standards. Most vessels are equipped with lifts, enabling easy access from one deck to another (with the exception of the Sun Deck). However, moving from the ship to land can pose obstacles that require solutions without the use of a wheelchair. Some of the ports, land tours and transfer buses, etc., are not always suitably equipped. Therefore, before completing a reservation, people with special needs must make the necessary enquiries and must receive consent from the operator to join the cruise. For security reasons, the transport of wheelchairs may be prohibited by the ship’s command. The operator will not be liable for claims, particularly not for damages, arising from such non-admission.

LIABILITY/LIMITATION OF LIABILITY/DISCLAIMERS:

- a) The operator is liable for services which are included in the description of the respective cruise.
- b) The operator is not liable for any service disruptions, damages to persons and/or baggage by third-party services that were procured accordingly and disclosed as such.

- c) The operator expressly refers to possible liability limitations and exemptions relevant under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vehicles (CLNI), including protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, likewise including amendments and addenda, if and as applicable, as well as all further state laws applicable in this respect.

This is a translation from the original General Terms & Conditions “Geschäftsbedingungen” of Dr. W. Lüftner Reisen GmbH in German. The above translation is provided solely as a courtesy and convenience but in all cases, the meaning and intent of the original General Terms & Conditions in German shall prevail at all times. The General Terms & Conditions shall be covered exclusively by Austrian law with jurisdiction in Innsbruck, Austria.

Important Information

AIR CONDITIONING: Please note that the air conditioning in your cabin is only effective if doors and windows are kept closed. Air conditioning can be regulated individually in each cabin.

ANNOUNCEMENTS: A public address system enables our Cruise Directors to provide important information about places we are passing, the onboard program and shore excursions. You can hear these announcements on the Sun Deck, in your cabin, and in all public areas of the vessel.

CHANGING MONEY: Please inform yourself of the currency regulations in the countries you are visiting before commencing your journey.

CLOTHING: By day and during shore excursions, we recommend casual clothing and comfortable footwear. A jacket or pullover may be required in the evening. For dinner and special occasions we recommend dressing smartly.

CRUISE DIRECTOR’S TEAM: The Cruise Director's team will look after you throughout the cruise and is happy to provide any additional information you require.

CRUISE ITINERARIES: Although every effort is made to keep itineraries as advertised, we reserve the right to make changes and substitutions as necessary to ensure the safety of our guests and our vessels. Due to force majeure, high or low water, and technical problems relating to the ship, as well as waterway infrastructure, waiting times at locks due to traffic, etc., changes may occur. In such cases, you will be immediately informed on board about the consequences.

DAILY PROGRAM: A Daily Program is placed in your cabin on the previous evening. It contains important information such as meal times, as well as the timing for excursions and other events.

DECKCHAIRS: There are plenty of deckchairs on the Sun Deck which are available free of charge.

DINING: The onboard restaurant accommodates all guests in one sitting. The restaurant serves both local and international dishes and a vegetarian option is always available. The Maître D’ will assist with seating.

DRINKING WATER: The ship has been outfitted with a sophisticated filtration system, and the tap water in each stateroom is safe to use.

ELECTRIC CURRENT: The voltage on board ship is 230V, European standard. To use any electrical product that is not dual voltage (e.g. from the US, Canada, Australia or the UK), you will need a plug adaptor and some devices will require a voltage converter. A two-pole adaptor is available at reception.

ELEVATOR: All AMADEUS vessels in this brochure are equipped with an elevator that services all decks except the Sun Deck.

DOCKING: Local river authorities allocate docking space around ship arrivals/departures in port. Occasionally port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond our control. Guests may experience obstructed views from staterooms when the ship is docked.

ENTERTAINMENT PROGRAM: The schedule for the onboard entertainment may be found in the Daily Program.

EXCURSION PROGRAM: Excursion packages can be purchased at a discounted rate before the start of your cruise. Excursions can be booked on board either individually or as a package at the cost specified in the travel catalogue. You will receive a description of the excursions with your travel documents before the start of your cruise. Should you have any further questions, please contact the Cruise Director on board. Where possible, shore excursions will be conducted in one language only, provided there is a minimum of 20 participants.

FAMILY RATE: The *AMADEUS Imperial*, the *AMADEUS Star*, the *AMADEUS Queen*, the *AMADEUS Provence* and the *AMADEUS Silver III* have a limited number of C-1 cabins with connecting doors, which can be booked on request for 2 adults with 1 or 2 children. The two adults pay the regular cruise price, while the accompanying child or a maximum of 2 accompanying children receive a 30% discount in the adjacent cabin.

FITNESS: A fitness room is open 24 hours a day on every AMADEUS vessel.

GIFT SHOP: This shop offers exclusive AMADEUS branded items, as well as souvenirs, postcards, stamps, accessories and some everyday essentials.

GRATUITIES: Gratuities are a common way for guests to express their satisfaction with the cruise staff. If you are happy with the service you receive, our staff will appreciate tips in recognition of their effort. You will receive further information on board.

HAIRDRESSER: For your convenience, a hair salon is found on all AMADEUS vessels.

HEALTH: Please inform your travel agent if you require special medical arrangements on board. We reserve the right to refuse such requirements. For passengers with special needs, please refer to the regulations in the General Conditions of Travel.

INSURANCE: While travel insurance is not required in order to participate in this program, we recommend that each guest purchase a travel protection plan, as unforeseen circumstances can occur both prior to and during travel.

INTERNET/WIFI: All AMADEUS ships have wireless Internet/ WLAN. We ask for your understanding that the connection may be weaker on certain sections of the route. In addition, there may be short interruptions when national borders are crossed. The staff on board can provide more detailed information on this.

LAUNDRY SERVICE: A laundry service is available on board for a nominal fee. Please note that neither self-service laundry facilities nor dry cleaning services are available.

LIBRARY: There is a selection of light reading material available for your use on board. Whenever possible, daily newspapers are also made available. At the end of the cruise we ask you kindly to return any books or magazines you have borrowed.

MEDICATION: If you require any special medication, please ensure that you have an adequate supply before joining the cruise. The onboard pharmacy is equipped for emergencies.
